

## The visit of Saudi Military Attaché

**On Monday, 22 March, Rear Admiral Saleh Alreshead, military attaché of the Kingdom of Saudi Arabia in Poland, paid a visit to the Military University of Aviation in Dęblin.**

Rector Commandant of MUA Brig. Gen. Pilot Doctor Krzysztof Cur introduced the visitor to the education and student training programme for Saudi cadets as well as the training facilities of the University. During bilateral talks, the ongoing cooperation was discussed and the MUA's course offer was presented.

The presentation included, inter alia, the flight simulation device "Selector," SW-4 Puszczuk helicopter simulator, DA40, DA42 two-module flight simulators and PZL-130 catapult simulators, as well as training devices for aerial parachute operation. In addition, the Unmanned Aircraft Vehicle Training Centre and the Air Traffic Control Party Training Centre also presented their equipment. Furthermore, the guests from Saudi Arabia were able to familiarise themselves with the facilities of the "School of Eaglets" during a flight in a Diamond DA42 aircraft belonging to the air fleet of the Academic Aviation Training Centre.

The visit ended with an inscription to the MUA Memory Book and the exchange of commemorative gifts.
