## **Massage description:**

### **Energizing Massage 60 minutes**

Ideal to relieve the muscular tension and fatigue by stimulating the blood circulation and renewing the energies. This massage is done with an infusion of plants from Quinta Splendida garden, almond oil, and hot or cold cream to apply in the inflamed areas. An organic massage with Madeira Geranium, Bay leaves.

### **Ayurvedic Massage 60 minutes**

The three primal metabolic forces in the human body.

The mix of these three master forces are responsible for promoting and sustaining balance in the daily and lifelong health.

*The Doshas (Pitta, Vata and Kapha) are characterized by the energies intrinsic to each master force.*

### **Aromatherapy 45 minutes**

Consists in the use of essential aromas that were extracted from plants, flowers and fruits. The combination of soothing and relaxing movements with the essential oils application contributes to the balance of the mental and physical health.

### **Relaxing neck, back and shoulders 45 minutes**

Known as an extremely effective massage done in muscle aches to release the tension, the pressure done varies from medium to very deep, depending on the needs of each person.
